

EXHIBITOR OF THE DAY

Miranda Ruleford, of Mounds, Oklahoma, is the Valley Vet Exhibitor of the Day. She has competed in many shows, however, this is the first time she has attended Color Breed Congress. She and her horse, MAGNUMS SHINING REY, will take part in ranch and reining classes.

Although this is her first time showing at Congress, Ruleford competed in the 2019 Pinto World Championship Show held earlier this year in Tulsa, Oklahoma. She decided to attend Congress because she enjoyed her time at PWC, she said.

Ruleford's friend played a key role in getting her into showing. "My friend (Kimberly Stewart and her husband) both train reining horses so I thought I'll just buy a reining horse," Ruleford said.

"I've only been showing for about a year and winning is one of my favorite memories," Ruleford said.

Ruleford purchased MAGNUMS SHINING REY in 2018.

Congratulations to Miranda Ruleford on a job well done. Each day at Color Breed Congress an exhibitor will be selected to be featured on the official PtHA website at www.pinto.org and Facebook page. Each winner receives a \$100 Valley Vet gift card.
